As a 4th Friday sponsor, your business will be prominently recognized in front of hundreds of community members while demonstrating your commitment to local arts, small businesses, and family-friendly events. In addition to on-site visibility, your brand will be featured in our social media, print and radio advertising campaigns, which reach audiences not only in Stevens County but throughout the greater Inland Northwest—spanning from Spokane and North Idaho all the way to the Canadian border. Sponsorship gives your business valuable exposure and goodwill while helping make downtown Colville a vibrant community.
